M-101 Meter with Timer operational mode

MID APPROVAL NUMBER: 0120/SGS0260

RDL single phase dual coin Meter/Timer with dual rate tariff and LCD readout. It has a maximum current rating of 100A. Included with the M-101 is a user manual with specification and operating settings. The M-101 will allow the landlord to;

- Alter the meter to a timer.
- Adjust the rate.
- Adjust the standing charge.
- Alter the amount of Emergency credit.
- Enter minutes per coin or token when in timer mode.
- Re-useable tokens can be purchased from RDL direct.
- Tournament override facility when in timer mode.
- For increased security RDL has designed the Meter/Timer to have two visible seals.
- An extension terminal cover has been designed to cover the incoming supply cables.
- The M-101 comes with a three year guarantee and can be used in applications such as flats, bedsits, chalets, caravans, washing machines, tumble dryers, heaters, lighting, air-conditioning, etc.
- Supplied with user manual.
